

OPEN DOOR - ST ALBANS

Report of the Directors For the Year end 31 March 2019

The Directors present their report with the financial statements for the Company¹ for the year ended 31 March 2019.

PURPOSES AND AIMS

The Charity's purpose, as set out in the objects contained in the Company's Memorandum of Association, is the relief of those in need, by reason of homelessness or other causes of vulnerability. The principal activity of the Company in the year under review was that of fundraising for the relief of financial need and the provision of accommodation and support for the homeless in Hertfordshire. The Charity works in partnership with Hightown Housing Association (Hightown), which operates and manages the services provided at Open Door.

Open Door – St Albans is a registered charity (reg no 1028528) and company limited by guarantee (no 02868633).

How our activities deliver Public Benefit

The Open Door – St. Albans Charity contributes to the running costs of the Open Door Homelessness Service at 8 Bricket Road, St. Albans. The service benefits from grants from Hertfordshire County Council's Housing-related Support grant, and St Albans City and District Council.

The Service regularly gives single accommodation to up to 12 people each night. The facilities are available either by agency referral or by self-referral. Open Door also provides daytime drop-in services which offer support and advice, including on housing, health care, and the services available from other relevant agencies. In severe weather, 5 temporary beds for homeless people are provided, funded by St Albans City and District Council. The Charity supplements these with 5 additional volunteer run beds in a local church.

The Charity supports the Open Door homelessness service through grants for specific purposes which supplement the public funding. In 2018/19 our grants have included funding for a part-time volunteer coordinator responsible for the promotion and supervision of volunteering and for charitable giving, and also to pay for breakfast for those staying in the Service. Our volunteers make an important contribution to the success of the project. In particular they prepare and serve lunch at the drop-in, and also provide residents with a hot evening meal. Volunteers also provide services for individuals, such as helping those for whom English is a second language, and a number of local businesses give practical help from the donation of food to working to improve the facilities provided and to enhance the environment for residents.

The Charity also pays for maintenance and improvements at Bricket Road.

The Charity provides small grants to assist resettlement of individuals, and pays rent and services for people in need who have nowhere to stay and have no access to benefits or other public funds, to give an opportunity for staff to find them a place to go.

¹ The Company is a registered charity (number 1028528). In this report, the Company is referred to on occasion as 'the Charity'.

It has provided a counselling service for those staying at Open Door.

There are still people sleeping rough in St Albans, many of whom have limited options for moving on both because there is a serious shortage of suitable accommodation, and/or because of their particular circumstances and issues. In 2018/19 the Charity continued to fund the Safe Streets Outreach Service which has operated from Open Door since 2011, with the aim of helping rough sleepers to lead a more settled way of life.

Over the winter of 2018/19 the Charity led on and underwrote funding for the Winter Beds project, providing volunteer- run bed and breakfast for up to 5 rough sleepers during severe weather. The project was initiated in 2017 following an approach from churches in central St Albans concerned about levels of rough sleeping, and is overseen by a management group comprising trustees and other representatives. Trinity URC again kindly offered their premises which were used between January and April: in total 46 overnight places were provided.

The Charity's funding benefits the direct recipients of the services provided at Open Door, and also has indirect impacts on the wider community. We encourage charitable giving by local people, whether through volunteering or through fundraising and donations. Many of our supporters and fundraisers are young people, who want to help homeless and vulnerable people.

Our support for Open Door over many years has helped improve the lives of homeless people, by enabling them to address their personal issues and live more settled lives, in turn helping them to play a fuller part in the local community.

The task of moving residents on remains difficult, due to the closure of some alternative local facilities and the high cost and/or lack of affordable housing in either the public or private sectors. There are also increasing numbers of homeless people with no access to public funds for support.

To help address these issues, the Charity is exploring ways of supporting homeless people move into more settled living arrangements and employment: following research into local needs and provision by other charitable and statutory agencies, we have identified homelessness prevention, mental health support, move on accommodation and employment support as potential areas where we may best direct our support. We are actively involved in discussions with local stakeholders, including local council and health services, and local charities, to further explore these opportunities.

We continue to maintain strong relationships with other local charities and recognize that in many areas we are working to the same purposes. To this end we are making some grant funding available to other organisations where these will deliver our aims and objectives.

5 Company Status

The Company is limited by guarantee and does not have a share capital.

6 General Reserves

Movements on General Reserves are as shown in the Statement of Financial Activities. The balance on the General Fund at 31 March 2019 was £281,479, and on the Development and Maintenance Fund was £61,442.

Reserves Policy

It is the Charity's policy to aim to have sufficient funds in its General Fund to cover at least the expenditure commitments for the following year. The General Fund is held to support the day to day needs of homeless people staying at Open Door, or to enable the Charity to give grants for other activities or projects which support homeless and vulnerable people, within the terms of our charitable purposes and our statutory powers.

The Charity also holds a Development and Maintenance Fund account to provide for the long-term maintenance, refurbishment and development of 8 Bricket Road, which is leased to Hightown Housing Association by St Albans City and District Council at a peppercorn rent. This Fund stands at £61,442 as at 31 March 2019, and will be reserved to provide exclusively for the long-term maintenance, refurbishment and development of 8 Bricket Road. This represents around 50% of the projected costs of the Hightown maintenance cost profile for 2019 – 2039. Together with Hightown, the Charity keeps under review the plans for long-term maintenance, refurbishment and development of 8 Bricket Road, to ensure that sufficient funds are being held to keep the building maintained to the standard achieved following its redevelopment, completed in 2010, bearing in mind the wear and tear the use of the building inevitably involves.

The higher level of general reserves is due to a series of exceptional circumstances since 2010. During this period the Charity has benefited from reductions in the net annual running costs of the Open Door services, largely due to increased income from higher occupancy; and from some unplanned grant income to support certain specific services provided at Open Door.

The Directors' reserves policy in recent years has reflected their concern that a service that relies so heavily on public sector grants risks losing funding in a time of economic restraint. Open Door is a valued public service and its public funding has held up well despite government cuts since 2010. Grants have indeed been reduced and refocused in recent years, in part to get better outcomes and better value for money for funders, but there has also been recognition that Open Door provides essential services to vulnerable homeless people and merits continued resourcing. In addition, individuals staying overnight at Open Door benefit from a housing benefit entitlement which covers the basic cost of their room. The Open Door Service did suffer a cut in its Housing Related Support Grant in January 2017, and with the continued pressures on central and local government budgets, there remains a risk of further reductions from the current levels of public funding.

Whilst support for the night shelter and drop in services provided at 8 Bricket Road remain the core of our activity, the Charity has the scope to use its reserves to fund and support new activities which help vulnerable people in St Albans, particularly the homeless, change their lives for the better, and to find suitable short or long term housing solutions which meet their particular needs. These may be either at or away from Open Door, with Hightown and/or in conjunction with other charitable organisations. We fully fund the Street Outreach worker, and underwrite the Winter Beds project providing additional severe weather beds in a local church. We have also initiated a small grants programme to deliver our objectives in partnership with other local organisations..

We will draw on reserves as we develop the portfolio of new projects and grants in the future months and years, and will also extend our fundraising activities to support new ventures if appropriate.
